	People of God, look about and see the faces of those we know and love. We see neighbors and friends here, sisters and brothers, and community of kindred hearts. People of God, look about and see the faces of those we hardly know. We see strangers, sojourners, forgotten friends, and ones who need an outstretched hand. People of God, look about and see all the images of God assembled here. In me, in you, in each of us, God's Spirit shines for all to see. People of God, come! All: Let us worship together!
