

## Cool down with a good book from our library!

Escape the summer heat and enjoy -

[Amazing Truth: How Science and the Bible Agree](#) written by Dr. Michael Guillen, who taught physics at Harvard and won 3 Emmy awards as the ABC News Science Editor;

[75 Masterpieces Every Christian Should Know](#), a fascinating read for anyone interested in the backstories of ancient and contemporary works of art, from paintings to movies, Dante to Bob Dylan, ...;

[Chosen](#), the first of a futuristic Christian series for youth (and older) from Ted Dekker,

[Orphan Train Girl: The Young Readers' Edition](#), the bestselling book about friendship and forgiveness;

[The Diva Diaries: Catie Conrad: Faith, Friendship, and Fashion Disasters](#), a popular series about Christian tweens;

And sooooo [many more](#) options for any age!
