

Library News

Thank you to Dot Haynie, Dr. Leo Lee and Willamina Sugg for their generous donations to our collection. Willamina wrote the book she has given to the library. (*Once cataloging is complete, more will be revealed about her wonderful book and those of our other resident authors.*) Great books for all ages are always being added. The latest cataloged additions are placed on the tables so that they may be easily found. The library is unlocked whenever the church is open. Easy instructions to check out books are found on the desk. Boyd Library holds many treasures!
