Ash Wednesday Service

Wednesday, February 26, 6:30 pm, Sanctuary

Join with our TMBC family as we begin the season of Lent with a service reflecting on our deep need for the grace and redeeming work of Jesus Christ in our lives, as individuals and as a church.

The Lord's Supper in Worship

Sunday, February 23, 10:55 am, Sanctuary

Our church remembers and gives thanks for the sacrifice of Jesus Christ for us and for all people as we gather at the Table of the Lord during morning worship.

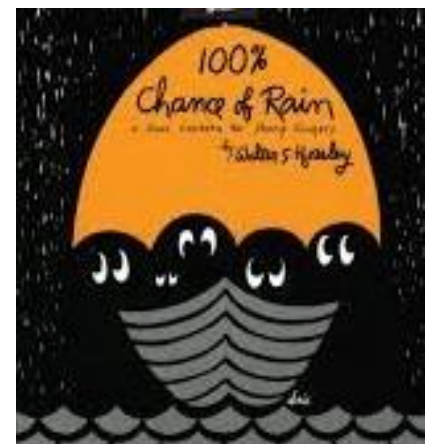

Music Makers and Young Musicians (Grades one through five choirs) are preparing for

100% Chance of Rain!

It is not too late for additional children to join the spring musical preparation. Rehearsals are held each Wednesday at 6:00 pm (followed by Mission Kids at 6:45) and on select Sunday afternoons at 3:00 pm. All children grades one through five are welcome! The musical will be presented in morning worship on Sunday, April 26.

And don't forget: Music Friends (Preschoolers through Kindergarten) also meet each Wednesday at 6:00.

Why Multigenerational Worship?

Many churches have chosen to offer worship gatherings specifically for different generations, including separate opportunities for children, teenagers, young adults, etc. You have probably noticed that here in our church we welcome all generations to worship together. We do offer extended care for preschoolers, but even they are in the worship gathering with us for a portion of the service. And we offer a bimonthly opportunity for grades one through six that the church has labeled “Junior Church,” but those children, too, remain in the service for a portion of the service. Why have we chosen this approach to worship? There are many reasons, but here are three of the most significant:

The church’s worship gathering is the focal point in the week for the *whole* church to praise God together, to pray together, to give thanks together, to hear God’s Word together, and to be more fully formed as Christ’s church on mission together. It follows, then, that we *all* should be in attendance and offer ourselves in active participation.

Children and teenagers should see and hear their parents worshipping God as a part of the church. As parents, we want to help our children to learn how to discern wisely among all of the options available to them in life. Surely we want them to come to prioritize their faith and their full participation in the life of the church. Seeing parents consistently, faithfully, and actively participating in the worship life of the church from Sunday to Sunday helps instill in children a sense that this time of giving to and receiving from God is of the highest priority.

The church’s worship gathering ought to be a reflection of all of Christ’s church, including people of all ages and walks of life. It is good that we worship with people who bring differences in appearance, culture, politics, and socioeconomic status because it reminds us of a critical truth: we are all equal at the foot of the cross of Jesus. It is not our transient disagreements that make the difference, it is our unity as the Body of Christ and our shared belief that it is only by faith and God’s grace that we are welcomed into God’s family, which is manifested on earth as the church.

May all of us covenant together to follow the teaching of scripture that we should be intentional about gathering with our whole church family regularly and faithfully in 2020! (See Hebrews 10:19-25.)

Soli Deo gloria,

Andy Roby
