TMBC Welcomes Kseniia Back to the US and Greenville

After three months of being away, Kseniia, our coordinator of office administration and communications, is back in the United States! Although she cannot officially work due to her current visa status, Kseniia is back in the office completing various duties as a volunteer.

We cannot thank all our office volunteers enough for their faithfulness in helping our church staff for the past three months. Thank you for your friendly smiles and helpfulness to everyone who dropped by the office, and to those you talked with on the phone.

Kseniia wishes to share with the church family the following words: *"I'm glad to be back in the States and Greenville. Thank you for your prayers and help. I would not have made it back without you all. My mother is thrilled with how warm you all welcomed me home at the airport. She is sending her love and gratitude for taking care of me and Fernando. I look forward to seeing you in the office during the week days and at church on Sunday mornings. Thank you!"*
