A New Bible Study Has Begun!

Join our pastor, Dr. Brad Smith, for a new Bible study every Wednesday in February at 6:15pm in the Fellowship Hall.

This study of the journey parables found in Luke will focus on words that Jesus shared with his disciples as they accompanied him on the most crucial journey they took together – the journey to Jerusalem. There, Jesus would die and disciples would learn the true nature and cost of following him.

This study will culminate with our Ash Wednesday service. We hope to see you Wednesday!

Christine Tripp's Legacy

Christine Tripp was a long-time member of The Memorial Baptist Church. Those who were high school students in Greenville in the 1960's - 80's will remember her as an outstanding biology teacher at Rose High School. She was the tough teacher with the big heart.

Christine loved TMBC and she wanted to make sure that she could continue to support it beyond her own lifetime. She signed an agreement with The North Carolina Baptist Foundation to create an endowed fund at her death. In 1999 this fund was activated, and it sends a check to TMBC twice a year. As a result, Christine Tripp's annual giving to TMBC will continue, in perpetuity.

Have you thought about your own legacy? Would you like to be able to continue supporting the ministries and missions of TMBC to future generations? The Legacy Gifts Team can help you do that

Legacy Gifts Annual Report 2021 can be found [HERE](#).
