

Community Crossroads Center- TMBC Shelter Meals

Community Crossroads Center's mission is serving the homeless and those at risk of homelessness by providing safe housing and assisting them in developing a long-term plan that leads to self-sufficiency. TMBC assists with this mission by providing meals to the residents once a month. TMBC serves dinner at the Center the first Monday of every month. Groups purchase the food, prepare it, and serve it to the residents.

Herb and Dot Paschal's Legacy

Dr. Herbert Paschal was a noted professor of History, and chair of the History Department, at East Carolina University. At TMBC he was a gifted Sunday School teacher, and he was part of the leadership team that planned, built, and moved the church from downtown Greenville to its prominent location on Greenville Boulevard in the early 1970's.

Dot Paschal loved her Sunday school class and everything about TMBC, and she will always be remembered as "a one-woman outreach team". Over the years she invited singles, couples, and families to visit the church. She was always there to welcome them and help them feel at home.

To honor their memory, and their combined 92 years of active and devoted service to the church, their children made a gift to establish the Herb and Dot Paschal Endowment Fund. This fund will provide perpetual financial support for the outreach ministries and activities of The Memorial Baptist Church. Surely nothing would have pleased Herb and Dot more than to know that their children are remembering them by encouraging others to become active members of The Memorial Baptist Church and to worship in God's house.

Have you thought about your own legacy? Would you like to be able to continue supporting the ministries and missions of TMBC to future generations? The Legacy Gifts Team can help you do that.
