Wishing Happy National Teacher Appreciation Week to Our Preschool Teachers

During this National Teacher Appreciation Week, we want to recognize this wonderful group of ladies who answered the call to serve at Memorial Baptist Preschool. Their dedication and commitment over many years is a testimony to their heart's desire to share their gifts ministering to our little people as they shepherd them to grow and learn in God's love. Doing preschool for

two years during a global pandemic presented many new challenges, yet, these ladies persevered and rose to the challenge. They worked hard to ensure our preschoolers could still have an awesome developmentally appropriate experience and it has warmed our hearts to see the children laughing, playing, making friends, developing confidence, and growing exponentially in spite of a pandemic!

Church Clean Up Day Was a Success!

On April 30, helpers of all ages gather for a productive Saturday morning. We were joined by the Hispanic congregation. The youth helped replacing handicap signs and guest parking signs around the parking lot and did an awesome job. We were able to tackle and remove an old shed behind the church, get a lot of lights changed, both indoor and outdoor, worked on securing pews that needed to be ranker to the floor. A lot of work was done in the kitchen, and we even got wet umbrella stands put together and set up. We thank everyone who came to help make our church a little shinier by giving their time and effort!
