

## Street Fair Ministry is Right Around the Corner

The TMBC Street Fair Ministry is gearing up for another year of serving the workers at the Pitt County Fair this year, September 17th - 25th. We invite you to join this exciting mission opportunity to share God's love. Many of the fair workers come from countries like Mexico and South Africa as well as across the United States. They bring very little with them in the way of personal belongings while traveling with the fair to different cities and have been very appreciative of the homecooked meals, fellowship, and hospitality while here in Pitt County.

The QR code allows you to go online and sign up for various ways to volunteer. You can choose to to donate items, sign up to prayer walk at the fair, volunteer to be a greeter at the street fair ministry tent welcoming the workers in. You can also sign up for Kitchen Patrol (KP), helping to serve, prepare meals, washing dishes, emptying trash cans, etc., or even be available to engage in conversation and share how God is impacting your life.

In addition to the above, one of the projects that has always been greatly appreciated by the fair workers are the Hygiene Kits we assemble and distribute. More details will be coming out next week sharing how our Sunday School Classes and others can assist by donating needed items. Thanks so much for helping with this ministry.

## Media Ministry Team is Looking for Help!

The Media Ministry Team supports the worship life of TMBC by operating audio, video, and multimedia systems each Sunday morning. They also help TMBC outreach far beyond the walls of the church by facilitating our livestream each Sunday morning. No special knowledge or experience required. We will provide training and supervised experience. Contact Dr. Andy Roby (robbya@tmbc.org or call the church, extension 102) for more information!

## Sandro Silva's Recital in Virginia on August 12

On August 12, Sandro will take a trip to Otterbein United Methodist Church in Harrisonburg, Virginia to perform an organ recital. Please support him with your prayers for a safe trip and a successful concert. The concert is intended to be livestreamed through the hosting church's YouTube channel. More details will be shared as they become available.

## Shelter Meal: September 5

Assistance is needed for the Community Crossroads Shelter Meal on September 5th. Please contact Lauren Lumley if you are willing to help.

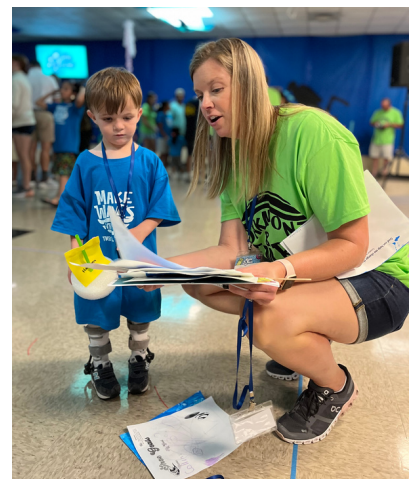

# Vacation Bible School

The Memorial Baptist Church & Oakmont Baptist Church

This year's Vacation Bible School was a blast! We had over 100 children join us for VBS! A huge thank you to more than 50 volunteers who helped to make it happen prior and during VBS. TMBC youth were a big help in running the Vacation Bible School. We are extremely grateful to Sharon Lee for coordinating most of the organizational and decorative work and for being our Waverly! We also appreciate all the work the Children's Team put into preparing for this VBS. A big thank you to pastors Tyler Roach and Ben Gurganus for making this VBS one of a kind! And, of course, a big thank you to all our little participants for joining us and "making waves" with us this summer!

## Endow Your Annual Giving

Would you like to continue supporting the work of your church well beyond your lifetime? A portion of the assets in your estate can be left to TMBC to create an endowment that will continue your annual giving to the church, in perpetuity. It's much easier to do than you ever thought. A member of the Legacy Gifts Team, or one of our ministers, will be glad to answer your questions.
