

TMBC Missions Are Possible Thanks to You!

TMBC has had another active week! A breakfast was held Sunday morning for our children and students moving into children and youth groups. During worship, our church family observed communion together after multiple backpacks and teacher bags were blessed during the service.

Sunday afternoon, the chancel choir and ministers made a field trip to Cypress Glen for an offering of music and devotion. While they were leading in afternoon worship, our youth ushered in the beginning of a new school year with their Messy Night.

This week also consisted of continued preparations for the Street Fair Ministry with the collection of hygiene items and prepping meals for fair workers. TMBC also partnered with the Cooperative Baptist Student Fellowship at ECU for the university's Organization Fair where multiple connections were made with new and returning college students. Our Mission Team and Preschool Team provided treats and food for teachers at Eastern Elementary and Memorial Baptist Preschool, welcoming them back to their classrooms.

Also, this week, the Ramp Building Team worked on constructing a ramp for someone in need and our Legacy Gifts Team prepared to receive a newly named endowment at TMBC. The pastoral staff also planned and scheduled the events and themes surrounding the Advent and Christmas season.

This past Sunday, you offered \$27,148. Because of your wonderful generosity and stewardship, you are allowing these awesome missions and ministries to be possible. Thank you for your continued commitment and generous participation in the ministry of Christ!

to donate your time. The actual items purchased will need to be brought on site closer to the event, however, for planning purposes it would be so helpful to know which items are being donated. And for those who would rather just make a monetary donation, please make a check out to TMBC and note in the memo line of the check "Street Fair Ministry." Donations are muchly appreciated whether purchasing products, making a monetary donation, or volunteering your time!
