

## 2023-2024 Registration

At this time, all of our classes are FULL. HOWEVER, we do have an ongoing wait list and as openings become available, we will contact the next person on the list. If you are interested, please call to be added to the wait list. We use the NC Public Schools cutoff date of Aug 31 to determine eligibility for classes. Our overall student membership for current school year is 138 children with eleven different classes. The preschool utilizes Brightwheel software/app for communication with staff and families as well as handling tuition payments.
